9h00 - 19h00 (Foyer Aranjuez)

REGISTRATION OPEN

9h00 - 17h00

WORKSHOP AND DOCTORAL FORUM

Room: SEGOVIA I

ORI (US OFFICE OF RESEARCH INTEGRITY) WORKSHOP ON HANDLING RESEARCH MISCONDUCT ALLEGATIONS IN A GLOBAL CONTEXT

Chair: *Zoë Hammatt, Office of Research Integrity, US*

Speakers in the ORI Workshop:

- *Nils Axelsen, Staten Serum Institute, Denmark*
- *Daniel Barr, University of Melbourne, Australia*
- *Susan Garfinkel, Office of Research Integrity, US*
- *Zoë Hammatt, Office of Research Integrity, US*
- *Ping Sun, Institute of Scientific and Technical Information of China, China*
- *Paul Taylor, The University of Melbourne, Australia*
- *Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada*

Room: SEGOVIA II

DOCTORAL FORUM (BY INVITATION ONLY)

Chair: *Nicholas Steneck, University of Michigan, US*

Speakers in the Doctoral Forum:

- *Edilson Damasio, Federal University of Rio de Janeiro, Brazil*
- *Rita Faria, University of Porto, Portugal*
- *Simon Godecharle, University of Leuven, Belgium*
- *Chris Hartgerink, Tilburg University, Netherlands*
- *Nolan O'Brien, University College Dublin, Ireland*
- *Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei*
- *Christiane C. Santos, Federal University of Rio de Janeiro, Brazil*
- *J.K. Tijdink, VU University, Netherlands*
- *Sander van den Bogert, Utrecht University, Netherlands*

Panelists in the Doctoral Forum:

- *Elizabeth Heitman, Vanderbilt University, US*
- *Brian Martinson, HealthPartners Institute for Education and Research & Minneapolis Veterans Affairs, US*
- *Andre Pinto, Brazilian Center for Physics Research, Brazil*
- *Nicholas Steneck, University of Michigan, US*

12h30 - 17h00

WORKSHOP AND EDUCATION TRACK

Room: Itamaraty

EDUCATION TRACK / CERTIFICATE COURSE

PUBLICATION ETHICS: CHALLENGES IN RESPONSIBLE RESEARCH COMMUNICATION

Session 1: Who's the author?: Authorship, transparency and conflicts of interest

Chair: *Elizabeth Wager, Sideview, UK*

Speakers in the Education Track:

- *Veronique Kiermer, Nature, US*
- *Eric C. Mah, University of California San Francisco, US*
- *Ana Marusic, University of Split School of Medicine, Croatia*
- *Ivan Oransky, Association of Health Care Journalists, US*
- *Richard Van Noorden, Nature, UK*

Room: SEGOVIA III

COPE (COMMITTEE ON PUBLICATION ETHICS) WORKSHOP FOR EDITORS

Chair: *Charlotte Haug*

Speakers in the COPE Workshop:

- *Behrooz Astaneh, Shiraz University of Medical Sciences, Iran*
- *Charlotte Haug, Committee on Publication Ethics, Norway*
- *Muhammed Irfan, Peshawar Medical College, Pakistan*

18h00 - 19h00 Room: Segovia I, II, III

PLENARY A

CONFERENCE OPENING AND WELCOME

Chairs: *Melissa S. Anderson, University of Minnesota, US; Sabine Kleinert, The Lancet, UK*

19h00 - 20h30 Room: Foyer on Second Floor

RECEPTION

Monday, June 1, 2015

8h00 - 17h00 (Foyer Aranjuez)

REGISTRATION OPEN

9h00 - 10h30 Room: Segovia I, II, III

PLENARY B

CURRENT PROBLEMS IN THE RESEARCH SYSTEM

Chair: *Melissa S. Anderson, University of Minnesota, US*

KEYNOTE PRESENTATION: WHAT IS HOLDING US BACK IN THE PREVENTION OF QUESTIONABLE RESEARCH PRACTICES?

Presenter: *Lex Bouter, VU University, Netherlands*

AN ECO-SYSTEMIC LENS ON RESEARCH INTEGRITY

Presenter: *Brian Martinson, HealthPartners Institute for Education and Research & Minneapolis Veterans Affairs, US*

MEASURING SUCCESS WITHIN THE GERMAN CENTER FOR LUNG RESEARCH: IMPLICATIONS FOR RESEARCH INTEGRITY

Presenter: *Klaus Rabe, German Centre for Lung Research, Germany*

10h30 - 11h00 Room: Alhambra

BREAK (Poster presenters available for discussion)

11h00 - 12h30

CONCURRENT SESSIONS 1-5, SESSION 5A AND PARTNER SYMPOSIUM A

Room: Alvorada I

1. COUNTRIES' SYSTEMS AND POLICIES TO FOSTER RESEARCH INTEGRITY

Chair: *Nils Axelsen, Staten Serum Institute, Denmark*

CS01.1 – Second time around: Implementing and embedding a review of responsible conduct of research policy and practice in an Australian research-intensive university

Presenter: *Susan Patricia O'Brien, The University of Queensland, Australia*

CS01.2 – Measures to promote research integrity in a university: The case of an Asian University

Presenter: *Danny Chan, The University of Hong Kong, Hong Kong*
Co-author: *Frederick Leung, The University of Hong Kong, Hong Kong*

Room: Segovia IV

2. EXAMPLES OF RESEARCH INTEGRITY EDUCATION PROGRAMMES IN DIFFERENT COUNTRIES

Chair: *Merry Bullock, American Psychological Association, US*

CS02.1 – Development of a state-run, online, education program of research ethics in Korea

Presenter: *Eun Jung Ko, Korea Institute of Human Resources Development in Science & Technology, Korea*

Co-authors: *Jin Sun Kwak, Korea Institute of Human Resources Development in Science & Technology, Korea; TaeHwan Gwon, Korea Institute of Human Resources Development in Science & Technology, Korea; Ji Min Lee, Korea Institute of Human Resources Development in Science & Technology, Korea; Min-Ho Lee, National Research Foundation of Korea, Korea*

CS02.2 – Mapping African research ethics review capacity

Presenter: *Boitumelo Mokgatla, Botswana*

CS02.3 – Responsible conduct of research teachers' training courses in Germany: Keeping on drilling through hard boards for more RCR teachers

Presenter: *Helga Nolte, Team Scientific Integrity, Germany*
Co-authors: *Michael Gommel, Gerlinde Sponholz, all: Team Scientific Integrity, Germany*

CS.02.4 – Teaching young scientists how to be productive as a positive way to prevent scientific misconducts

Presenter: *Tung-Tien Sun, New York University Medical School, US*

Room: Alvorada II

3. THE RESEARCH ENVIRONMENT AND POLICIES TO ENCOURAGE RESEARCH INTEGRITY

Chair: *Paul Garner, Liverpool School of Tropical Medicine, UK*

CS03.1 – Challenges and best practices in research integrity: Bridging the gap between policy and practice

Presenters: *Yordanka Krastev, University of Technology Sydney, Australia; Yamini Sandiran, University of Technology Sydney, Australia*

Co-author: *Julia Connell, Nicky Solomon, all: University of Technology Sydney, Australia*

CS03.2 – The Slovenian initiative for better research: From national activities to global reflections

Presenter: *Ursa Opava Krasovec, University of Ljubljana, Slovenia*
Co-author: *Renata Sribar, Alma Mater Europaea, Slovenia*

CS03.3 – Organizational climate assessments to support research integrity: Background of the Survey of Organizational Research Climate (SOuRCe) and experience with its use at Michigan State University

Presenter: *Brian C. Martinson, HealthPartners Institute for Education and Minneapolis Veterans Administration, US*
Co-authors: *Carol R. Thrush, University of Arkansas for Medical Sciences, US; Karen L. Klomparens, Michigan State University, US; Terry May, Michigan State University, US*

Monday, June 1, 2015

Room: El Pardo I

4. EXPRESSIONS OF CONCERN AND RETRACTIONS

Chair: *Veronique Kiermer, Nature, US*

CS04.1 – Proposed guidelines for retraction notices and their dissemination

Presenter: *Ivan Oransky, Retraction Watch, US*
Co-author: *Adam Marcus, Retraction Watch, US*

CS04.2 – Watching retractions: Analysis of process and practice, with data from the Wiley retraction archives

Presenter: *Chris Graf, Wiley, UK*
Co-authors: *Verity Warne, Edward Wates, Sue Joshua, all: Wiley, UK*

CS04.3 – An exploratory content analysis of Expressions of Concern

Presenter: *Miguel Roig, St. John's University, US*

CS04.4 – An ethics researcher in the retraction process

Presenter: *Michael Mumford, University of Oklahoma, US*

Room: El Pardo II

5. FUNDERS' ROLE IN FOSTERING RESEARCH INTEGRITY

Chair: *Karen Wallace, Canadian Secretariat on Responsible Conduct of Research*

CS05.1 – The Fonds de Recherche du Québec's institutional rules on the responsible conduct of research: Introspection in the funding agency activities

Presenter: *Mylène Deschênes, Fonds de recherche du Québec, Canada*
Co-authors: *Catherine Olivier, Raphaëlle Dupras-Leduc, all: Fonds de recherche du Québec, Canada*

CS05.2 – U.S. Public Health Service funds in an international setting: Research integrity and compliance

Presenter: *Zoë Hammatt, U.S. Office of Research Integrity, US*
Co-authors: *Raju Tamot, Robin Parker, Cynthia Ricard, Loc Nguyen-Khoa, Sandra Titus, all: U.S. Office of Research Integrity, US*

CS05.3 – Analyzing decision making of funders of public research as a case of information asymmetry

Presenter: *Karsten Klint Jensen, University of Copenhagen, Denmark*

CS05.4 – Research integrity management: Empirical investigation of academia versus industry

Presenter: *Simon Codecharle, University of Leuven, Belgium*
Co-authors: *Ben Nemery, Kris Dierckx, all: University of Leuven, Belgium*

Room: Segovia I,II,III

5A: EDUCATION: FOR WHOM, HOW, AND WHAT?

Chair: *Farida Lada, City University of New York, US*

CS05A.1 – Research integrity or responsible conduct of research?: What do we aim for?

Presenter: *Mickey Gjerris, University of Copenhagen, Denmark*
Co-authors: *Maud Marion, Laird Eriksen, Uppsala University, Sweden; Jeppe Berggren Hoj, University of Copenhagen, Denmark*

CS05A.2 – Teaching and learning about RCR at the same time: A report on Epigeum's RCR poll questions and other assessment activities

Presenter: *Nicholas H. Steneck, University of Michigan and Epigeum*

CS05A.4 – Minding the gap in research ethics education: Strategies to assess and improve research competencies in community health workers/promoters

Presenter: *Camille Nebeker, University of California San Diego, US*
Co-authors: *Michael Kalichman, University of California San Diego, US; Elizabeth Mejia Booen, University of California San Diego, US; Blanca Azucena Pacheco, University of California San Diego, US; Rebeca Espinosa Giacinto, San Diego State University, US; Sheila Castaneda, San Diego State University, US*

Room: Itamaraty

PARTNER SYMPOSIUM A

Organized by EQUATOR Network, Enhancing the Quality and Transparency of Health Research

Making the research publication process more efficient and responsible: Practical ways to improve the reliability and usability of published (health) research

Chairs: *Iveta Simera, University of Oxford, UK; Trish Groves, BMJ, UK*

Can we trust the medical research literature?: Poor reporting and its consequences

Chair: *Iveta Simera, University of Oxford, UK*

What can BioMed Central do to improve published research?

Chair: *Daniel Shanahan, BioMed Central, UK*

What can a "traditional" journal do to improve published research?

Chair: *Trish Groves, BMJ, UK*

Promoting good reporting practice for reliable and usable research papers: EQUATOR Network, reporting guidelines and other initiatives

Chair: *Caroline Struthers, University of Oxford, UK*

13h00 - 14h15

Room: Queluz

LUNCH

Monday, June 1, 2015

14h15 - 15h45

FOCUS TRACKS, EDUCATION TRACK AND PARTNER SYMPOSIUM B

Room: Alvorada I

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF FUNDERS

Moderator: *Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada; Paulo Beirão, Director of Science, Technology and Innovation of FAPEMIG, Brazil*

Room: Segovia I, II, III

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF COUNTRIES

Moderators: *Sabine Kleinert, The Lancet, UK; Ana Marusic, University of Split School of Medicine, Croatia*

Room: Alvorada II

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF INSTITUTIONS

Moderators: *Melissa S. Anderson, University of Minnesota, US; Lex Bouter, VU University, Netherlands*

Room: Itamaraty

EDUCATION TRACK / CERTIFICATE COURSE

PUBLICATION ETHICS: CHALLENGES IN RESPONSIBLE RESEARCH COMMUNICATION

Session 2: Show us the data: Data fabrication, falsification, image manipulation and data storage

Chair: *Elizabeth Wager, Sideview, UK*

Room: Segovia IV

PARTNER SYMPOSIUM B

Organized by EMBO, the European Molecular Biology Organization

Pre-publication ethics screens: A definition of best practices and responsibilities

Chair: *Michelle Garfinkel, EMBO, Germany*

Situating pre-publication ethics screens in a framework of responsible conduct of research

Chair: *Dena Plemmons, University of California San Diego, US*

Transparent processes, integrity screening, and definitions of responsibilities

Chair: *Michele Garfinkel, EMBO, Germany*

Prior publication and originality in research: Are ideas of redundancy reshaping these concepts?

Chair: *Sonia Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

16h00 - 17h30

Room: Segovia I, II, III

PLENARY C

DRIVERS OF THE CURRENT RESEARCH SYSTEM

Chair: *Tony Mayer, Nanyang Technological University, Singapore*

A SERIES OF ENGAGEMENT ACTIVITIES EXPLORING THE CULTURE OF SCIENTIFIC RESEARCH IN THE UK

Presenter: *Ottoline Leyser, University of Cambridge, UK*

THE POWER, PERILS, AND PITFALLS OF PEER REVIEW IN PUBLIC

Presenter: *Philip Moriarty, University of Nottingham, UK*

DRIVERS OF RESEARCH MISCONDUCT: PERSPECTIVES FROM THE U.S. OFFICE OF RESEARCH INTEGRITY

Presenter: *Zoe Hammatt, Office of Research Integrity, US*
Co-author: *John Dahlberg, Office of Research Integrity, US*

17h30 - 18h00

Room: Alhambra

BREAK (Posters on display)

18h00 - 19h30

CONCURRENT SESSIONS 6-10 AND PARTNER SYMPOSIUM C

Room: Alvorada I

6. COUNTRY EXAMPLES OF RESEARCH REWARD SYSTEMS AND INTEGRITY

Chair: *Ana Marusic, University of Split School of Medicine, Croatia*

CS06.1 – Improving Systems to Promote Responsible Research in the Chinese Academy of Sciences

Presenter: *Ding Li, Chinese Academy of Sciences, China*
Co-authors: *Qiong Chen, Guoli Zhu, Zhonghe Sun, all: Chinese Academy of Sciences, China*

CS06.3 – Research rewards and integrity: Systems and setbacks in Saudi Arabia

Presenter: *Badaruddin Abbasi, University of Dammam and Ministry of Higher Education, Saudi Arabia*

CS06.4 – Exploring the perception of research integrity amongst public health researchers in India

Presenter: *Parthasarathi Ganguly, Indian Institute of Public Health Gandhinagar and Public Health Foundation of India*
Co-author: *Bama Ganguly, Pramukhswami Medical College, India*

Monday, June 1, 2015

Room: Alvorada II

7. EDUCATION AND GUIDANCE ON RESEARCH INTEGRITY: COUNTRY DIFFERENCES

Chair: *Edson Watanabe, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

CS071 – From integrity to unity: How research integrity guidance differs across universities in Europe.

Presenter: *Noémie Aubert Bonn, McGill University, Canada*
Co-authors: *Kris Dierickx and Simon Godecharle, all: KULeuven, Belgium*

CS072 – Can education and training develop research integrity?: The spirit of the UNESCO 1974 Recommendation and its updating

Presenter: *Danièle Bourcier, Centre National de la Recherche Scientifique, France*
Co-authors: *Jacques Bordé, Michèle Leduc, all: Centre National de la Recherche Scientifique, France*

CS073 – The education and implementation mechanisms of research ethics in Taiwan's higher education: An experience in Chinese web-based curriculum development for responsible conduct of research

Presenter: *Chien Chou, National Chiao Tung University, Chinese Taipei*
Co-author: *Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei*

CS074 – Educating principal investigators in Swiss research institutions: Present and future perspectives

Presenter: *Louis Xaver Tiefenauer, Paul Scherrer Institute, Switzerland*

Room: Segovia IV

8. MEASURING AND REWARDING RESEARCH PRODUCTIVITY

Chair: *David Vaux, Walter and Elizabeth Hall Institute, Australia*

CS08.1 – Altimpact: How research integrity underpins research impact

Presenter: *Daniel Barr, The University of Melbourne, Australia*
Co-author: *Paul Taylor, The University of Melbourne, Australia*

CS08.2 – Publication incentives: Just reward or misdirection of funds?

Presenter: *Lyn Margaret Horn, Stellenbosch University, South Africa*

CS08.3 – Why Socrates never charged a fee: Factors contributing to challenges for research integrity and publication ethics

Presenter: *Deborah Poff, Brandon University, Canada*

Room: El Pardo I

9. PLAGIARISM AND FALSIFICATION: BEHAVIOUR AND DETECTION

Chair: *Miguel Roig, St John's University, US*

CS09.1 – Personality traits predict attitude towards plagiarism of self and others in biomedicine: Plagiarism, yes we can?

Presenter: *Martina Mavrinac, Rijeka University, Croatia*
Co-authors: *Gordana Brumini, Mladen Petrovečki, all: Rijeka University, Croatia*

CS09.2 – Investigating the concept of and attitudes toward plagiarism for science teachers in Brazil: Any challenges for research integrity and policy?

Presenter: *Christiane Coelho Santos, Colégio Pedro II and Universidade Federal do Rio de Janeiro (UFRJ), Brazil*
Co-author: *Sonia Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

CS09.3 – What have we learnt?: The CrossRef Service from CrossRef

Presenter: *Rachael Lammey, CrossRef, US*

CS09.4 – High p-values as a sign of data fabrication/ falsification

Presenter: *Chris Hartgerink, Tilburg University, Netherlands*
Co-authors: *Marcel van Assen, Jelte Wicherts, all: Tilburg University, Netherlands*

Room: El Pardo II

10. CODES FOR RESEARCH INTEGRITY AND COLLABORATIONS

Chair: *Tony Mayer, Nanyang Technological University, Singapore*

CS10.1 – Research integrity in cross-border cooperation: A Nordic example

Presenter: *Hanne Silje Hauge, NordForsk, Norway*

CS10.2 – On the development and dissemination of codes of research conduct

Presenter: *Ping Sun, Institute of Scientific and Technical Information of China, China*

CS10.3 – Research integrity, research misconduct, and the National Science Foundation's requirement for the responsible conduct of research

Presenter: *Aaron Manka, National Science Foundation, US*

CS10.4 – A code of conduct for international scientific cooperation: Human rights and research integrity in scientific collaborations with international academic and industry partners

Presenter: *Raffael Iturrizaga, Eidgenössische Technische Hochschule Zürich (ETH Zurich), Switzerland*

Monday, June 1, 2015

Room: Itamaraty

PARTNER SYMPOSIUM C

Organized by ENRIO, the European Network of Research Integrity Officers

Transparency and independence in research integrity investigations in Europe

Chair: *Nicole Foeger, Austrian Agency for Research Integrity, Austria*

Krista Varantola, Finnish Advisory Board on Research Integrity, Finland

Helga Nolte, University of Hamburg, Germany

Ursa Opara, Committee for Women in Science, Slovenia

Torkild Vinther, National Committees for Research Ethics, Norway

Elizabeth Wager, UK Research Integrity Office, UK

Thomas Nørgaard, Danish Committees on Scientific Dishonesty, Denmark

19h45 - 20h30

POSTER SESSIONS

(Brief oral presentations of posters)

Note: All posters will be displayed throughout the conference in Alhambra

Room: Alvorada I

POSTER SESSION A: AUTHORSHIP AND PUBLICATION ETHICS

Chair: *Daniel Barr, University of Melbourne, Australia*

PT.01 – The missing role of journal editors in promoting responsible research

Presenter: *Ibrahim Alorainy, King Saud University, Saudi Arabia*
Co-author: *Khalid Al-Wazzan, King Saud University, Saudi Arabia*

PT.02 – Honorary authorship in Taiwan: Why and who should be in charge?

Presenter: *Chien Chou, National Chiao Tung University, Chinese Taipei*

Co-author: *Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei*

PT.03 – Authorship and Citation Manipulation in Academic Research

Presenter: *Eric Fong, University of Alabama in Huntsville, US*
Co-author: *AI Wilhite, University of Alabama in Huntsville, US*

PT.04 – Open peer review of research submission at medical journals: Experience at BMJ Open and The BMJ

Presenter: *Trish Groves, The BMJ, UK*

PT.05 – Exercising authorship: Claiming rewards, practicing integrity

Presenter: *Désirée Motta-Roth, Universidade Federal de Santa Maria, Brazil*

PT.06 – What studies of retractions tell us

Presenter: *Ivan Oransky, Retraction Watch, US*
Co-author: *Adam Marcus, Retraction Watch, US*

PT.07 – Medical scientists' views on publication culture: A focus group study

Presenter: *Joeri Tijdink, VU University, Amsterdam, Netherlands*
Co-author: *Yvo Smulders, VU University, Amsterdam, Netherlands*

Room: Alvorada II

POSTER SESSION B: EDUCATION, TRAINING, PROMOTION AND POLICY

Chair: *Jane Jacobs, Queensland University of Technology, Australia*

PT.09 – Ethical challenges in post-graduate supervision

Presenter: *Laetia OK Lategan, Central University of Technology, South Africa*

PT.10 – The effects of viable ethics instruction on international students

Presenter: *Michael Mumford, University of Oklahoma, US*
Co-authors: *Logan Steele, University of Oklahoma, US; Logan Watts, University of Oklahoma, US; James Johnson, United States Air Force, US; Shane Connelly, University of Oklahoma, US; Lee Williams, University of Oklahoma, US*

PT.11 – Does (uncertainty in) language reflect the quality of research?

Presenter: *Gerben ter Riet, University of Amsterdam, Netherlands*

Co-authors: *Sufia Amini, University of Amsterdam, Netherlands; Lotty Hooft, University of Utrecht, Netherlands; Halil Kilicoglu, National Library of Medicine, US*

PT.12 – Integrity complaints as a strategic tool in policy decision conflicts

Presenter: *Janneke van Seters, Wageningen University & Research Centre, Netherlands*

Co-authors: *Herman Eijsackers, Fons Voragen, Akke van der Zijpp, Frans Brom, all: Wageningen University & Research Centre, Netherlands*

PT.13 – Assessing the impact of training in the responsible conduct of research: The Epigeum IMPACT program

Presenter: *Nicholas H. Steneck, University of Michigan and Epigeum*

Monday, June 1, 2015

Room: Segovia I, II, III

POSTER SESSION C: ETHICS AND INTEGRITY INTERSECTIONS

Chair: *Martha Sorenson, Universidade Federal do Rio de Janeiro, Brazil*

PT.14 – Regulations of informed consent: University-supported research processes and pitfalls in implementation
Presenters: *Badaruddin Abbasi, University of Dammam, Saudi Arabia; Naif Nasser Almasoud, University of Dammam, Saudi Arabia*

PT.15 – A review of equipoise as a requirement in clinical trials
Presenter: *Adri Labuschagne, South African Medical Research Council, South Africa*

PT.16 – The Research Ethics Library: Online resource for research ethics education
Presenter: *Johanne Severinsen, The Norwegian National Committees for Research Ethics, Norway*
Co-author: *Espen Engh, The Norwegian National Committees for Research Ethics, Norway*

PT.17 – Research integrity: The view from King Abdulaziz City for Science and Technology
Presenter: *Daham Ismail Alani, King Abdulaziz City for Science and Technology, Saudi Arabia*

PT.18 – Meeting global challenges in high-impact publications and research integrity: The case of the Malaysian Palm Oil Board
Presenter: *Hj. Kamaruzaman Jusoff, Malaysian Palm Oil Board Headquarters, Malaysia*

PT.19 – University faculty perceptions of research practices and misconduct
Presenter: *Anita Gordon, University of Northern Iowa, US*

Room: Segovia IV

POSTER SESSION D: INTERNATIONAL PERSPECTIVES

Chair: *Margaret Faedo, University of Sydney, Australia*

PT.20 – Overview of current regulations and regulations development in the Saudi Geographer Society
Presenter: *Nasser M. Alzeer, King Saud University, Saudi Arabia*
Co-author: *Ali A. Aldosari, King Saud University, Saudi Arabia*

PT.21 – The Commission for Scientific Integrity as a response to research fraud
Presenter: *Dieter De Bruyn, Ghent University, Belgium*

PT.22 – Are notions of the responsible conduct of research associated with compliance with requirements for research on humans in different disciplinary traditions in Brazil?
Presenter: *Karina de Albuquerque Rocha, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*
Co-author: *Sonia Maria Ramos de Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

PT.23 – Creating an environment that promotes research integrity: An institutional model of the Malawi Liverpool Wellcome Trust
Limbanazo Matandika, University of Kwa Zulu Natal, South Africa

PT.24 – How do science policies in Brazil influence user-engaged ecological research?
Presenter: *Aline Carolina de Oliveira Machado Prata, Universidade Federal de São Carlos, Brazil*
Co-author: *Mark William Neff, Western Washington University, US*

PT.25 – Efforts toward the advancement of sciences in Guatemala
Presenter: *Lucia Nitsch Velazquez, Universidad del Valle de Guatemala, Guatemala*
Co-author: *Krisztina Fulop-Rios, Universidad del Valle de Guatemala, Guatemala*

Room: El Pardo I

POSTER SESSION E: PERSPECTIVES ON MISCONDUCT

Chair: *Sue O'Brien, University of Queensland, Australia*

PT.26 – What “causes” scientific misconduct?: Testing major hypotheses by comparing corrected and retracted papers
Presenter: *Daniele Fanelli, Stanford University, US*
Co-authors: *Rodrigo Costas, Leiden University, Netherlands; Vincent Larivière, Université de Montréal, Canada*

PT.27 – Perception of academic plagiarism among dentistry students
Presenter: *Douglas Leonardo Gomes Filho, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*
Co-author: *Diego Oliveira Guedes, Universidade Estadual do Sudoeste da Bahia/Jequié, Brazil*

PT.28 – (Quite) a few bad apples?: Prevalence, patterns and attitudes towards scientific misconduct among doctoral students at a German university hospital
Presenter: *Volker Bähr, Charité, Office for Good Scientific Practice, Germany*
Co-authors: *Niklas Keller, Charité, Germany; Markus Feufel, Charité, Germany; Nikolas Offenhauser, Charité, Germany*

PT.29 – Analysis of retraction notices published by BioMed Central
Presenter: *Maria K. Kowalczyk, BioMed Central, UK*
Co-author: *Elizabeth C. Moylan, BioMed Central, UK*

PT.30 – Plagiarism, unfair peer review and the publication of illegally appropriated scientific findings: A case study
Presenter: *Antonio Rossano Mendes Pontes, Instituto Nacional de Pesquisas da Amazônia, Brazil*

PT.31 – “He did it” doesn’t work: Data security, incidents and partners
Presenter: *Katie Speanburg, Abt Associates, US*

Monday, June 1, 2015

Room: El Pardo II

POSTER SESSION F: VIEWS FROM THE DISCIPLINES

Chair: *Paul Taylor, University of Melbourne, Australia*

PT.32 – Robust procedures: A key to generating quality results in drug discovery
Presenter: *Malini Dasgupta, Janssen Research & Development, US*
Co-authors: *Mariusz Lubomirski, Janssen Research & Development, US; Tom Lavrijsen, Janssen Research & Development, Belgium; David Malwitz, Janssen Research & Development, US; David Gallacher, Janssen Research & Development, Belgium; Anja Gillis, Janssen Research & Development, Belgium*

PT.33 – Health promotion: Criteria for the design and the integrity of a research project
Presenter: *Maria Betânia de Freitas Marques, Faculdade de Minas, Brazil*
Co-authors: *Laressa Lima Amâncio, Raphaela Dias Fernandes, Oliveira Patrocínio, Cláudia Maria Correia Borges Rech, all: Faculdade de Minas, Brazil*

PT.34 – Integrity of academic work from the perspective of students graduating in pharmacy: A brief research study
Presenter: *Maria Betânia de Freitas Marques, Faculdade de Minas, Brazil*
Co-authors: *Cláudia Maria Correia Borges Rech, Adriana Nascimento Sousa, all: Faculdade de Minas, Brazil*

PT.35 – Research integrity promotion in the Epidemiology and Health Services, the journal of the Brazilian Unified Health System
Presenter: *Leila Posenato Garcia, Institute for Applied Economic Research, Brazil*

PT.36 – When are clinical trials registered?: An analysis of prospective versus retrospective registration of clinical trials published in the BioMed Central series, UK
Presenter: *Stephanie Harriman, BioMed Central, UK*
Co-author: *Jigisha Patel, BioMed Central, UK*

PT.37 – Maximizing welfare while promoting innovation in drug development
Presenter: *Farida Lada, The City University of New York, US and Maastricht University/United Nations University-MERIT, Netherlands*

OTHER POSTERS THAT WILL BE DISPLAYED BUT NOT PRESENTED ORALLY

PT.38 – Geoethics and the debate on research integrity in geosciences
Presenter: *Giuseppe Di Capua, Istituto Nazionale di Geofisica e Vulcanologia, Italy*
Co-author: *Silvia Peppoloni, International Association for Promoting Geoethics, Italy*

PT.39 – Introducing the Professionalism and Integrity in Research Program (P.I. Program)
Presenter: *James M. DuBois, Washington University, US*
Co-authors: *John Chibnall, Jillon Van der Wall, all: Saint Louis University, US*

PT.40 – Validation of the professional decision-making in research measure
Presenter: *James M. DuBois, Washington University, US*
Co-authors: *John Chibnall, Jillon Van der Wall, Raymond Tait, all: Saint Louis University, US*

PT.41 – General guidelines for research ethics
Presenter: *Jacob Holen, Norwegian National Research Ethics Committees, Norway*

PT.42 – A national forum for research ethics
Presenter: *Adele Flakke Johannessen, The Norwegian National Committees for Research Ethics, Norway*
Co-author: *Torunn Ellefsen, The Norwegian National Committees for Research Ethics, Norway*

PT.43 – Evaluation of integrity in coursework: An approach from the perspective of the higher education professor
Presenter: *Claudia Rech, Faminas-Bh, Arquidiocese De Belo Horizonte, Brazil*
Co-authors: *Adriana Sousa, Maria Betânia de Freitas Marques, all: Faminas-Bh, Pesquisa, Brazil*

PT.44 – Principles of geoethics and research integrity applied to the European Multidisciplinary Seafloor and Water Column Observatory (EMXO), a large-scale European environmental research infrastructure
Presenter: *Silvia Peppoloni, Istituto Nazionale di Geofisica e Vulcanologia and International Association for Promoting Geoethics, Italy*
Co-authors: *Giuseppe Di Capua, Istituto Nazionale di Geofisica e Vulcanologia and International Association for Promoting Geoethics, Italy; Laura Beranzoli, Istituto Nazionale di Geofisica e Vulcanologia, Italy*

8h00 - 17h00 (Foyer Aranjuez)

REGISTRATION OPEN

9h00 - 10h30 Room: Segovia I, II, III

PLENARY D

CHANGING THE RESEARCH SYSTEM

Chair: *Mark Frankel, American Association for the Advancement of Science, US*

KEYNOTE PRESENTATION: SIX CHANGES IN THE RESEARCH SYSTEM TO REINFORCE INTEGRITY: EVOLVING RESEARCH ASSESSMENT IN CHINA

Presenter: *Wei Yang, National Natural Sciences Foundation, China*

DOPING DOCTORS: MARKETING STRATEGIES OF GLOBAL PHARMACEUTICAL COMPANIES IN JAPAN

Presenter: *Iekuni Ichikawa, Vanderbilt University, US*

WHY IS WASTE IN RESEARCH AN ETHICAL ISSUE?

Presenter: *Elizabeth Wager, Sideview, UK*

10h30 - 11h00 Room: Alhambra

BREAK (Poster presenters available for discussion)

11h00 - 12h30

CONCURRENT SESSIONS 11-15 AND PARTNER SYMPOSIA D&E

Room: Alvorada I

11. COUNTRIES' EFFORTS TO ESTABLISH MENTORING AND NETWORKS

Chair: *Torkild Vinther, The Norwegian National Committee for Research Ethics, Norway*

CS11.1 – ENRIO (European Network of Research Integrity Offices): A network facilitating common approaches on research integrity in Europe

Presenter: *Nicole Foeger, Austrian Agency for Research Integrity and European Network of Research Integrity Offices, Austria*

CS11.2 – Helping junior investigators develop in a resource-limited country: A mentoring program in Peru

Presenter: *A. Roxana Lescano, Naval Medical Research Unit No. 6, Peru*

Co-authors: *Claudio Lanata, Gissella Vasquez, Leguina Mariana, Marita Silva, Mathew Kasper, Claudia Montero, Daniel Bausch, Andres G Lescano, all: Naval Medical Research Unit No. 6, Peru*

CS11.3 – Netherlands Research Integrity Network: The first six months

Presenter: *Fenneke Blom, VU University Medical Center Amsterdam, the Netherlands*

Co-author: *Lex Bouter, VU University Medical Center Amsterdam, the Netherlands*

CS11.4 – A South African framework for research ethics and integrity for researchers, postgraduate students, research managers and administrators

Presenter: *Laetus OK Lategan, Central University of Technology, South Africa*

Room: Alvorada II

12. TRAINING AND EDUCATION IN RESEARCH INTEGRITY AT AN EARLY CAREER STAGE

Chair: *Harold (Skip) Gamer, Virginia Polytechnic Institute, US*

CS12.1 – Research integrity in curricula for medical students

Presenter: *Gustavo Fitas Manaia, International Federation of Medical Students' Associations, Brazil*

CS12.2 – Team-based learning for training in the responsible conduct of research supports ethical decision-making

Presenter: *Wayne T. McCormack, University of Florida, US*

Co-authors: *William L. Allen, University of Florida, US; Shane Connelly, University of Oklahoma, US; Joshua Cites, The Pennsylvania State University, US; Jeffrey Engler, University of Alabama at Birmingham, US; Victoria Freedman, Yeshiva University, US; Cynthia W. Garvan, University of Florida, US; Paul Haidet, The Pennsylvania State University, US; Joel Hockensmith, University of Virginia, US; William McElroy, University of Florida, US; Erik Sander, University of Florida, US; Rebecca Volpe, The Pennsylvania State University, US; Michael F. Verderame, The Pennsylvania State University, US*

CS12.3 – Learning medicine through research: Focus on scientific integrity

Presenter: *Laura Ribeiro, University of Porto, Portugal*

Co-authors: *Margarida Pereira, Maria Amelia Ferreira, all: University of Porto, Portugal*

CS12.4 – Research integrity and career prospects of junior researchers

Presenter: *Snezana Krstić, Independent researcher and consultant, Serbia*

Tuesday, June 2, 2015

Room: Segovia IV

13. SYSTEMS AND RESEARCH ENVIRONMENTS IN INSTITUTIONS

Chair: *Daniel Barr, University of Melbourne, Australia*

CS13.1 – Implementing systems in research institutions to improve quality and reduce risk

Presenter: *Louise Handy, Research Quality Association, UK*

CS13.2 – Creating an institutional environment that supports research integrity

Presenter: *Debra Schaller-Demers, Memorial Sloan Kettering Cancer Center, US*

CS13.3 – Ethics and Integrity Development Grants: A mechanism to foster cultures of ethics and integrity

Presenter: *Paul Taylor, University of Melbourne, Australia*

Co-author: *Daniel Barr, University of Melbourne, Australia*

CS13.4 – A culture of integrity at KU Leuven

Presenter: *Inge Lerouge, KU Leuven, Belgium*

Co-authors: *Cerard Cielon, Liliane Schoofs, all: KU Leuven, Belgium*

Room: El Pardo I

14. PEER REVIEW AND ITS ROLE IN RESEARCH INTEGRITY

Chair: *Charlotte Haug, Norwegian Medical Association, Norway*

CS14.1 – Peer review research across disciplines: Transdomain action in the European Cooperation in Science and Technology (COST) "New Frontiers of Peer Review (PEERE)"

Presenter: *Ana Marusic, University of Split, Croatia*

Co-author: *Flaminio Squazzoni, University of Brescia, Italy*

CS14.2 – Using blinding to reduce bias in peer review

Presenter: *David Vaux, Walter and Eliza Hall Institute, Australia*

CS14.3 – How to intensify the role of reviewers to promote research integrity

Presenter: *Khalid Al-Wazzan, King Saud University, Saudi Arabia*

Co-author: *Ibrahim Alorainy, King Saud University, Saudi Arabia*

CS14.4 – Credit where credit's due: Professionalizing and rewarding the role of peer reviewer

Presenter: *Chris Graf, Wiley, UK*

Co-author: *Verity Warne, Wiley, UK*

Room: El Pardo II

15. RESEARCH ETHICS AND OVERSIGHT FOR RESEARCH INTEGRITY: DOES IT WORK?

Chair: *Iveta Simera, University of Oxford, UK*

CS15.1 – The psychology of decision-making in research ethics governance structures: A theory of bounded rationality

Presenter: *Nolan O'Brien, University College Dublin, Ireland*

Co-authors: *Suzanne Guerin, Philip Dodd, all: University College Dublin, Ireland*

CS15.2 – Investigator irregularities: Iniquity, ignorance or incompetence?

Presenter: *Frank Wells, Health Research Authority, UK*

Co-author: *Catherine Blewett, Health Research Authority, UK*

CS15.3 – Academic plagiarism

Presenter: *Fredric M. Litto, University of Sao Paulo, Brazil*

Room: Segovia I, II, III

16. RESEARCH INTEGRITY IN EUROPE

Chair: *Nicole Foeger, Austrian Agency for Research Integrity, Austria*

CS16.1 – Whose responsibility is it anyway?: A comparative analysis of core concepts and practice at European research-intensive universities to identify and develop good practices in research integrity

Presenter: *Itziar De Lecuona, University of Barcelona, Spain*

Co-authors: *Erika Löfstrom, University of Helsinki, Finland; Katrien Maes, League of European Research Universities, Belgium*

CS16.2 – Research integrity guidance in European research universities

Presenter: *Kris Dierickx, University of Leuven, Belgium*

Co-authors: *Noémie Bonn, Simon Godecharle, all: University of Leuven, Belgium*

CS16.3 – Research Integrity: Processes and initiatives in Science Europe member organisations

Presenter: *Tony Peatfield, Medical Research Council, UK*

Co-authors: *Science Europe Working Group on Research Integrity*

CS16.4 – Promoting research integrity in Italy: The experience of the Research Ethics and Bioethics Advisory Committee of the Consiglio Nazionale delle Ricerche (CNR)

Presenters: *Cinzia Caporale, National Research Council of Italy, Italy; Daniele Fanelli, Stanford University, US*

Room: Alvorada II

17. TRAINING PROGRAMS FOR RESEARCH INTEGRITY AT DIFFERENT LEVELS OF EXPERIENCE AND SENIORITY

Chair: *Susan O'Brien, The University of Queensland, Australia*

CS17.1 – Meaningful ways to incorporate research integrity and the responsible conduct of research into undergraduate, graduate, postdoctoral and faculty training programs.

Presenter: *John Carfora, Loyola Marymount University, US*

Co-authors: *Eric Strauss, Loyola Marymount University, US; William Lynn, Clark University and Loyola Marymount University, US*

CS17.2 – "Recognize, respond, champion": Developing a one-day interactive workshop to increase confidence in research integrity issues

Presenter: *Dieter De Bruyn, Ghent University, Belgium*

Co-authors: *Bracke Nele, Ghent University, Belgium; Katrien De Gelder, Ghent University, Belgium; Stefanie Van der Burgh, Ghent University, Belgium*

CS17.4 – "Train the trainer" on cultural challenges imposed by international research integrity conversations: Lessons from a project

Presenter: *José Roberto Lapa e Silva, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

Co-author: *Sonia M. R. Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

Room: Segovia IV

18. RESEARCH AND SOCIETAL RESPONSIBILITY

Chair: *Nicholas Steneck, University of Michigan, US*

CS18.1 – Promoting the societal responsibility of research as an integral part of research integrity

Presenter: *Helene Ingierd, The Norwegian National Committees for Research Ethics, Norway*

CS18.2 – Social responsibility as an ethical imperative for scientists: Research, education and service to society

Presenter: *Mark Frankel, American Association for the Advancement of Science*

CS18.3 – The intertwined nature of social responsibility and hope in science

Presenter: *Daniel Vasgird, West Virginia University, US*

Co-author: *Stephanie Bird, Science and Engineering Ethics, US*

CS18.4 – Common barriers that impede our ability to create a culture of trustworthiness in the research community

Presenter: *Mark Yarborough, University of California Davis, US*

Room: El Pardo I

19. PUBLICATION ETHICS

Chair: *Elizabeth Wager, Sideview, UK*

CS19.1 – The authors' forum: A proposed tool to improve practices of journal editors and promote a responsible research environment

Presenter: *Ibrahim Alorainy, King Saud University, Saudi Arabia*

Co-author: *Khalid Al-Wazzan, King Saud University, Saudi Arabia*

CS19.2 – Quantifying research integrity and its impact with text analytics

Presenter: *Harold Garner, Virginia Tech University, US*

CS19.3 – A closer look at authorship and publication ethics of multi- and interdisciplinary teams

Presenter: *Lisa Campo-Engelstein, Albany Medical College, US*

Co-authors: *Zubin Master, Albany Medical College, US; Elise Smith, University of Montreal, Canada; David Resnik, National Institutes of Health, US; Bryn Williams-Jones, University of Montreal, Canada*

CS19.4 – Invisibility of duplicate publications in biomedicine

Presenter: *Mario Malicki, University of Split, Croatia*

Co-authors: *Ana Utrobic, Ana Marusic, all: University of Split, Croatia*

Tuesday, June 2, 2015

Room: El Pardo II

20. THE CAUSES OF BAD AND WASTEFUL RESEARCH: WHAT CAN WE DO?

Chair: *Lex Bouter, VU University, Amsterdam*

CS20.1 – From countries to individuals: Unravelling the causes of bias and misconduct with multilevel meta-meta-analysis
Presenter: *Daniele Fanelli, Stanford University, US*
Co-author: *John PA Ioannidis, Stanford University, US*

CS20.2 – Reducing research waste by integrating systems of oversight and regulation
Presenter: *Gerben ter Riet, University of Amsterdam, Netherlands*
Co-authors: *Tom Walley, University of Southampton, UK; Lex Marius Bouter, VU University, Netherlands*

CS20.3 – What are the determinants of selective reporting?: The example of palliative care for non-cancer conditions
Presenter: *Jenny van der Steen, VU University, Netherlands*
Co-author: *Lex Bouter, VU University, Netherlands*

CS20.4 – Perceptions of plagiarism, self-plagiarism and redundancy in research: Preliminary results from a national survey of Brazilian PhDs
Presenter: *Sonia Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil*

Co-Authors: *Martha Sorenson, UFRJ; Francisco Prosdocimi, UFRJ; Hatisaburo Masuda, UFRJ; Edson Watanabe, UFRJ; José Carlos Pinto, UFRJ; Marisa Palácios, UFRJ; José Lapa e Silva, UFRJ; Jacqueline Leta, UFRJ; Adalberto Vieyra, UFRJ; André Pinto, Brazilian Center for Physics Research (CBPF); Mauricio Sant'Ana, National Agency for Complementary Health (ANS); Rosemary Shinkai, Pontifical Catholic University of Rio Grande do Sul (PUCRS); all: Brazil*
